6. The following regarding future fundrasing events occurred:

- a. Dennis Stramel suggested a floral demonstration conducted by himself on the first Saturday in March. Based upon 50 attendees at \$3.00 apiece and less \$50.00 in expenses, this could net the group \$100.00
- b. Barry proposed a Valendine Day dance. Based upon an initial economic analysis, this idea is not cost effective. Barry will research the idea further.
- c. Fred is to reasearch and peport on the feasibility of a pancake breakfast.
- d. Hang on to any good junk for a spring rummage sale.
- e. Bake sales at AA meetings will require the approval of the group conscience.

 Phil Stager Dennis Domke Fred Reeder
4. Barry informed the committee that he put registration cards in the group mailings.
5. Group and individual mailings are done. Total postage cost was less than \$16.50.
6. Bob suggested that we conduct a mailing to local group in the greater Cleveland area. He will investigate the least expensive method of distribution and will design a flyer. Free duplicating is available.
7. Due to costs - primarily labor of gro members in stuffing envelopes and lack of worthwhile news - only one more mass mailing is proposed at this time. However this is subject to change like everything else.
8. The Treasurer reported that:

Cash Balance	\$477.99
Owed to Jack	\$400.00
Net Worth	\$ 77.99
- The February dance netted \$51.00
- The March dance and raffle netted \$74.00 and \$28.00 respectively.
- The floral demonstration netted \$27.00
9. Printing has been provided free. Five hundred more envelopes and the badges are also due. This has significantly reduced our fixed costs.
10. Your secretary will draft a letter to the Grapevine.
11. In view of reductions in fixed costs, primarily due to the free printedg and low postage rates on the first mass mailing, the total number of attendees required for a financial break even (with free breakfast) is now only 43.
12. Bob Sinok will investigate and report to the committee on the prices for 200 Tee shirts and 100 coffee mugs, each with the appropriate Roundup logo.

Miscellaneous info: The last dance had 70 paid attendees. 28 liters of soda, 3 gallons of lemonade, 2 gallons of coffee, 2 pounds of potato chips, 2 pounds of cheese, and several boxes of crackers were consumed. All this averages out to a unit cost of 45cents per person.

4. Bob Senock reported on the price and availability of several souvenir items.

A. T-shirts/ Bob recommends that we buy from Daffy Dan's. They have equivalent shirts to the other places checked, and their prices are lower. Bob will check and report next meeting.

8. Dee Bee has spoken to both Coke and Pepsi representatives, she recommended that we buy pop when it is on sale for .99 a two liter bottle. A motion was made and approved to buy 100 bottles at .99 ea.

9. Future treasurer's reports will show our obligation to Jack as prepaid expenses, this is under the rationale that we will be getting this amount "deducted" from our bill at the hotel, so we should not deduct it from calculations of our current net worth.
