Dear Ohio Gay Poeples

Great gains are being made toward unifying Gay Poeples in A.A. Statewide . This success ,is due, in part to the efforts put forth by The Ohio Gay Poeples in A.A.

We are putting together a Steering Committee by formalizing the organization of a Steering Committee we can insure continuing Growth and Unity. The Gay Poeples in A.A. of Ohio have contributed through recovery, unity and service to the most successful recovery program ever conceived. In order to assure stability of this service organization, A Steering Committee is proposing a permanent Charter. This document will guarantee that your Committee will be directly responsible to you.

We are sending a copy of the Charter that we have put together , please bear in mind as you review the Charter that you are being requested to make a group conscience decision with the guidance of the God of your understanding. We ask that you mark your personal ballot and bring to the first Steering Committee Meeting.
