New Business

- Alternate delegates should have 1 yr. of sobriety at time of their first Steering Committee meeting - however, location being represented can use their own discretion in this matter
- Discussion regarding location of roundups - ie "rotation" system
- Fund-raisers
Since roundups are put on by/for entire state (not just city holding them) the Steering Committee should be more active in co-ordinating these events
- Next roundup will be announced at this year's Founder's Day activities
- Next meeting will be on Sat. at Akron roundup
- Mtg. closed at 2:10 p.m. w/ Lord's Prayer
