It has been scheduled for Sunday, June 30, 1996 at 11:00 a.m. in the Columbus meeting room at Northminster Presbyterian Church, 203 King Avenue. Just a reminder on how to get to the meeting and for those of you who may be attending for your first time, King Avenue is just south of the Ohio State University campus. The church is west of High Street and east of Neil Avenue. Enter from the east step to the basement. We must be completed in time for the Big Book meeting at 1:30p.m.

The June agenda will concern the progress report of the Akron Round-Up Committee and please make note in the enclosed minutes from the meeting in February of those items that were tabled and asked for consideration and ideas brought back for discussion. Also, as a reminder we now have an Archivist, Larry T. from Dayton, so if you have found materials from any of the previous Round-Ups, please bring them to the meeting and we will make sure that Larry receives them. Also there was talk that there might have been an inventory list of the present Archives, if anyone has this or knows where one might be please let us know.

You will also find enclosed with this notice a copy of the minutes of the last Steering Committee meeting that was held February 25, in Columbus. Please review and have any questions ready for the June meeting. If for some reason you are not the appropriate contact person, please pass along this information to those representing your area or by contacting me with that information so that I can relay this information to them in a timely manner.

Thank you, and I am looking forward to seeing all of you in Columbus.

Yours in Sobriety,
